Fathers and Children:

Children, learn obedience early.

Fathers, strive to make obedience a blessing.

Master and Slaves:

Scripture is known to regulate
undesirable relationships without
condoning them as permanent ideals.

Master **and** Slaves:

Masters, remember Christ is your master. Slaves, remember Christ is the one you are ultimately serving, transforming your work into worship!

How are we to respond to
those who might reject the Christian
faith due to God's treatment of
these subjects in this BOOK?

Do not lose confidence in
the Scriptures.

God impacts your horizontal
relationships with others.

When you and I live differently
in our relationships
the world takes notice.
