

## **Standard Life Group Questions for this Virtual Life Group Season**

*Thank you for gathering your group for a virtual meeting!  
Feel free to discuss the sermon and life as the Holy Spirit leads you.*

*This is a unique season.*

*These prompts are just here to help you get the conversation started.*

1. How is everyone doing? Are there any practical needs within our group that we need to know about that we can help meet or alert the church staff to for further assistance?
2. Read the passage or verse that the sermon was based on.
3. What one or two things stood out most to you from the sermon?  
Why?
4. What application point from the sermon are you planning on acting on this week?
5. What has God been teaching you since we last met-- either through a sermon, personal reading God's Word, or the experience of social distancing and less time out and about?
6. Who can we pray for in your life that needs to know Jesus?
7. What prayer requests do you have that we can cover until we meet again?

*Please be sure to continue to pray for:*

- *Our nation and leaders*
- *Our city and state and leaders*
- *Our church and staff and lay leaders*
