Sunday Sermon April 25, 2021

Icebreaker Opening Question:

What is the best life lesson you have ever learned, and why was it so impactful?

The Church: A people of hope for the world
Ephesians 4:1-16

1. Paul has just finished describing all God has done for us in chapters 1-3. How does he exhort us to respond to what God has done for us in v.1 of chapter 4?
2. According to vv. 2-6, how are we to “walk worthy of our calling”? Why is this so important to Paul and the Church?
3. Why do you think that Paul starts by addressing unity in our relationships with others? What does that suggest about the role of Christian community in our spiritual growth?
4. How many “ones” do you count? What is the point Paul is trying to make with this emphasis? And what is Paul saying is our basis for unity?
5. What is the “grace” that each believer has received in v.7? How does it differ from the grace of salvation Paul describes in Ephesians 2:8?
6. What gifts did Christ give and to whom were they given? And in vv. 11-13 how does Paul describe the process by which we move toward maturity? Do you know what your gifts are?
7. What does this process reveal about the necessity of Christian community for our spiritual growth? And if we were to ask Paul, “Why is Christian community so important for our spiritual growth?” what would he say?
8. What would it look like for you to live out Christian community in the way Paul describes? What might change in your life if you did this, or where can you celebrate that you are doing this?

Pray for each other as a group thanking Him for the Church and his promise that he will build his church.
