

**FAC Small Group Questions**  
**Sunday Sermon August 22, 2021**

*Choose some of the following questions to review with your group  
and then spend some time in prayer for each other.*

**Icebreaker Opening Question:**

If you could visit one country in the world what country would it be?

Has anyone in your group personally experienced healing or saw someone get healed? If so, please share the experience.

**Christ our Healer**  
**Read together Isa 53: 3-5 , Matt 8: 14-17**

1. What tensions exist when we address the subject of healing in the church?
2. How is the subject of healing addressed in our church, and when should we ask for prayer from the elders?
3. Why do you think that we see less evidence of God's healing power in our day than in the Book of Acts?
4. Why are Isa 53: 3-5 and Matt 8: 14-7 so critical when it comes to the subject of Christ as our Healer?
5. How can the glory of God be served when He chooses NOT to heal?
6. Now read James 5:13-15. What instruction does this passage give regarding prayer for the sick? What questions does it raise for you?
7. Read Matthew 8:1-17: This passage focuses on three healing miracles performed by Jesus. What similarities and differences can you notice in these three "cases"? What conclusions can you draw from your observations?
8. Can anyone tell of a time when the healing didn't come, and yet God's grace truly was found sufficient as taught 1 Cor. 12? Encourage each other in this.

*Pray for each other as a group, and who do you need to pray for as a group?*
