

CALLED

II Timothy 1:9

Answering a call can change your life,
and the lives of others, for the better.

It's God calling - I want you to experience
Me deeply, and I want you to be part of
changing the world one heart and life at a time!

Then there is us...

We are called to belong to Jesus Christ and to participate in His redemptive work in the world.

The thief comes only to steal and kill and destroy. I came that they may have life and have it abundantly. I am the good shepherd. The good shepherd lays down his life for the sheep.

John 10: 10-11

In a calling, God moves one out of the familiar, to a new somewhere or something, likely a place unknown.

In that process, God will provide for all the unknowns, **you will meet a need in the world, and He will get the Glory.**

“Because of Post-modern thinking,
Generation Z (born 1997-2012) has the
potential to become the most secular
generation in American history.”

We are called to belong to
Jesus Christ and to
participate in his redemptive
work in the world.

Where do we sense God is leading us?

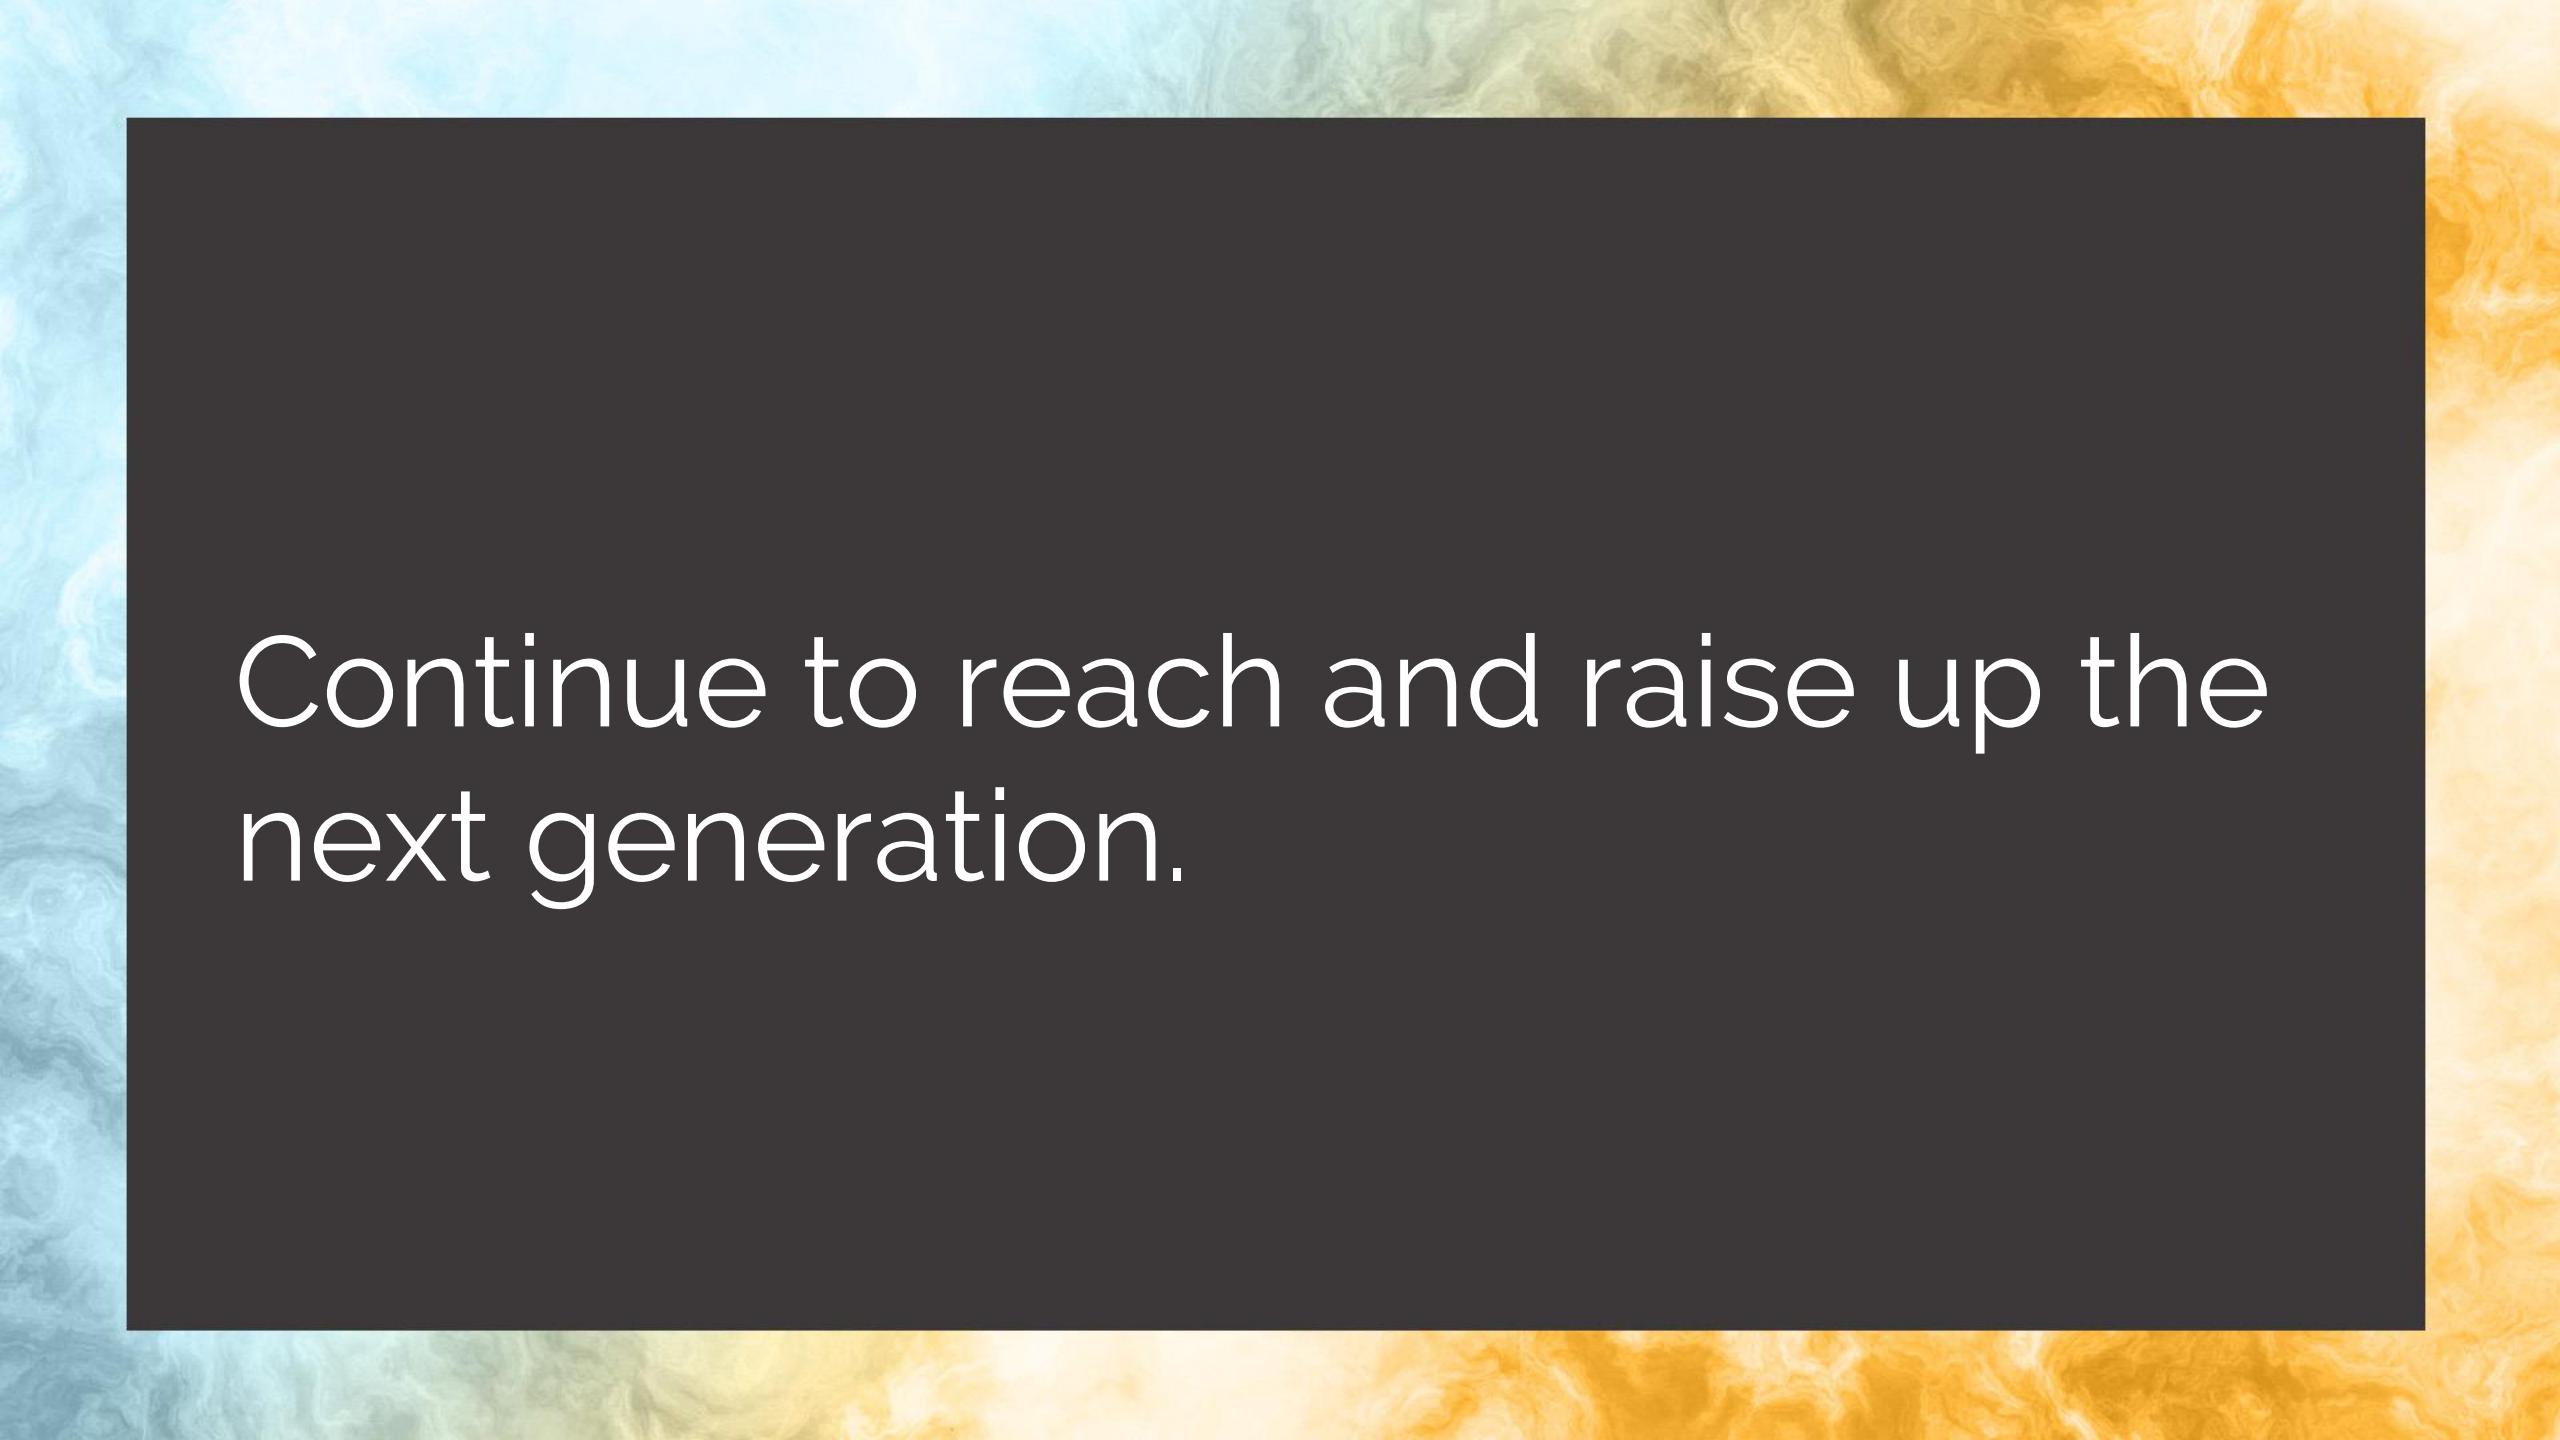

Reminder:

Some things will never change.

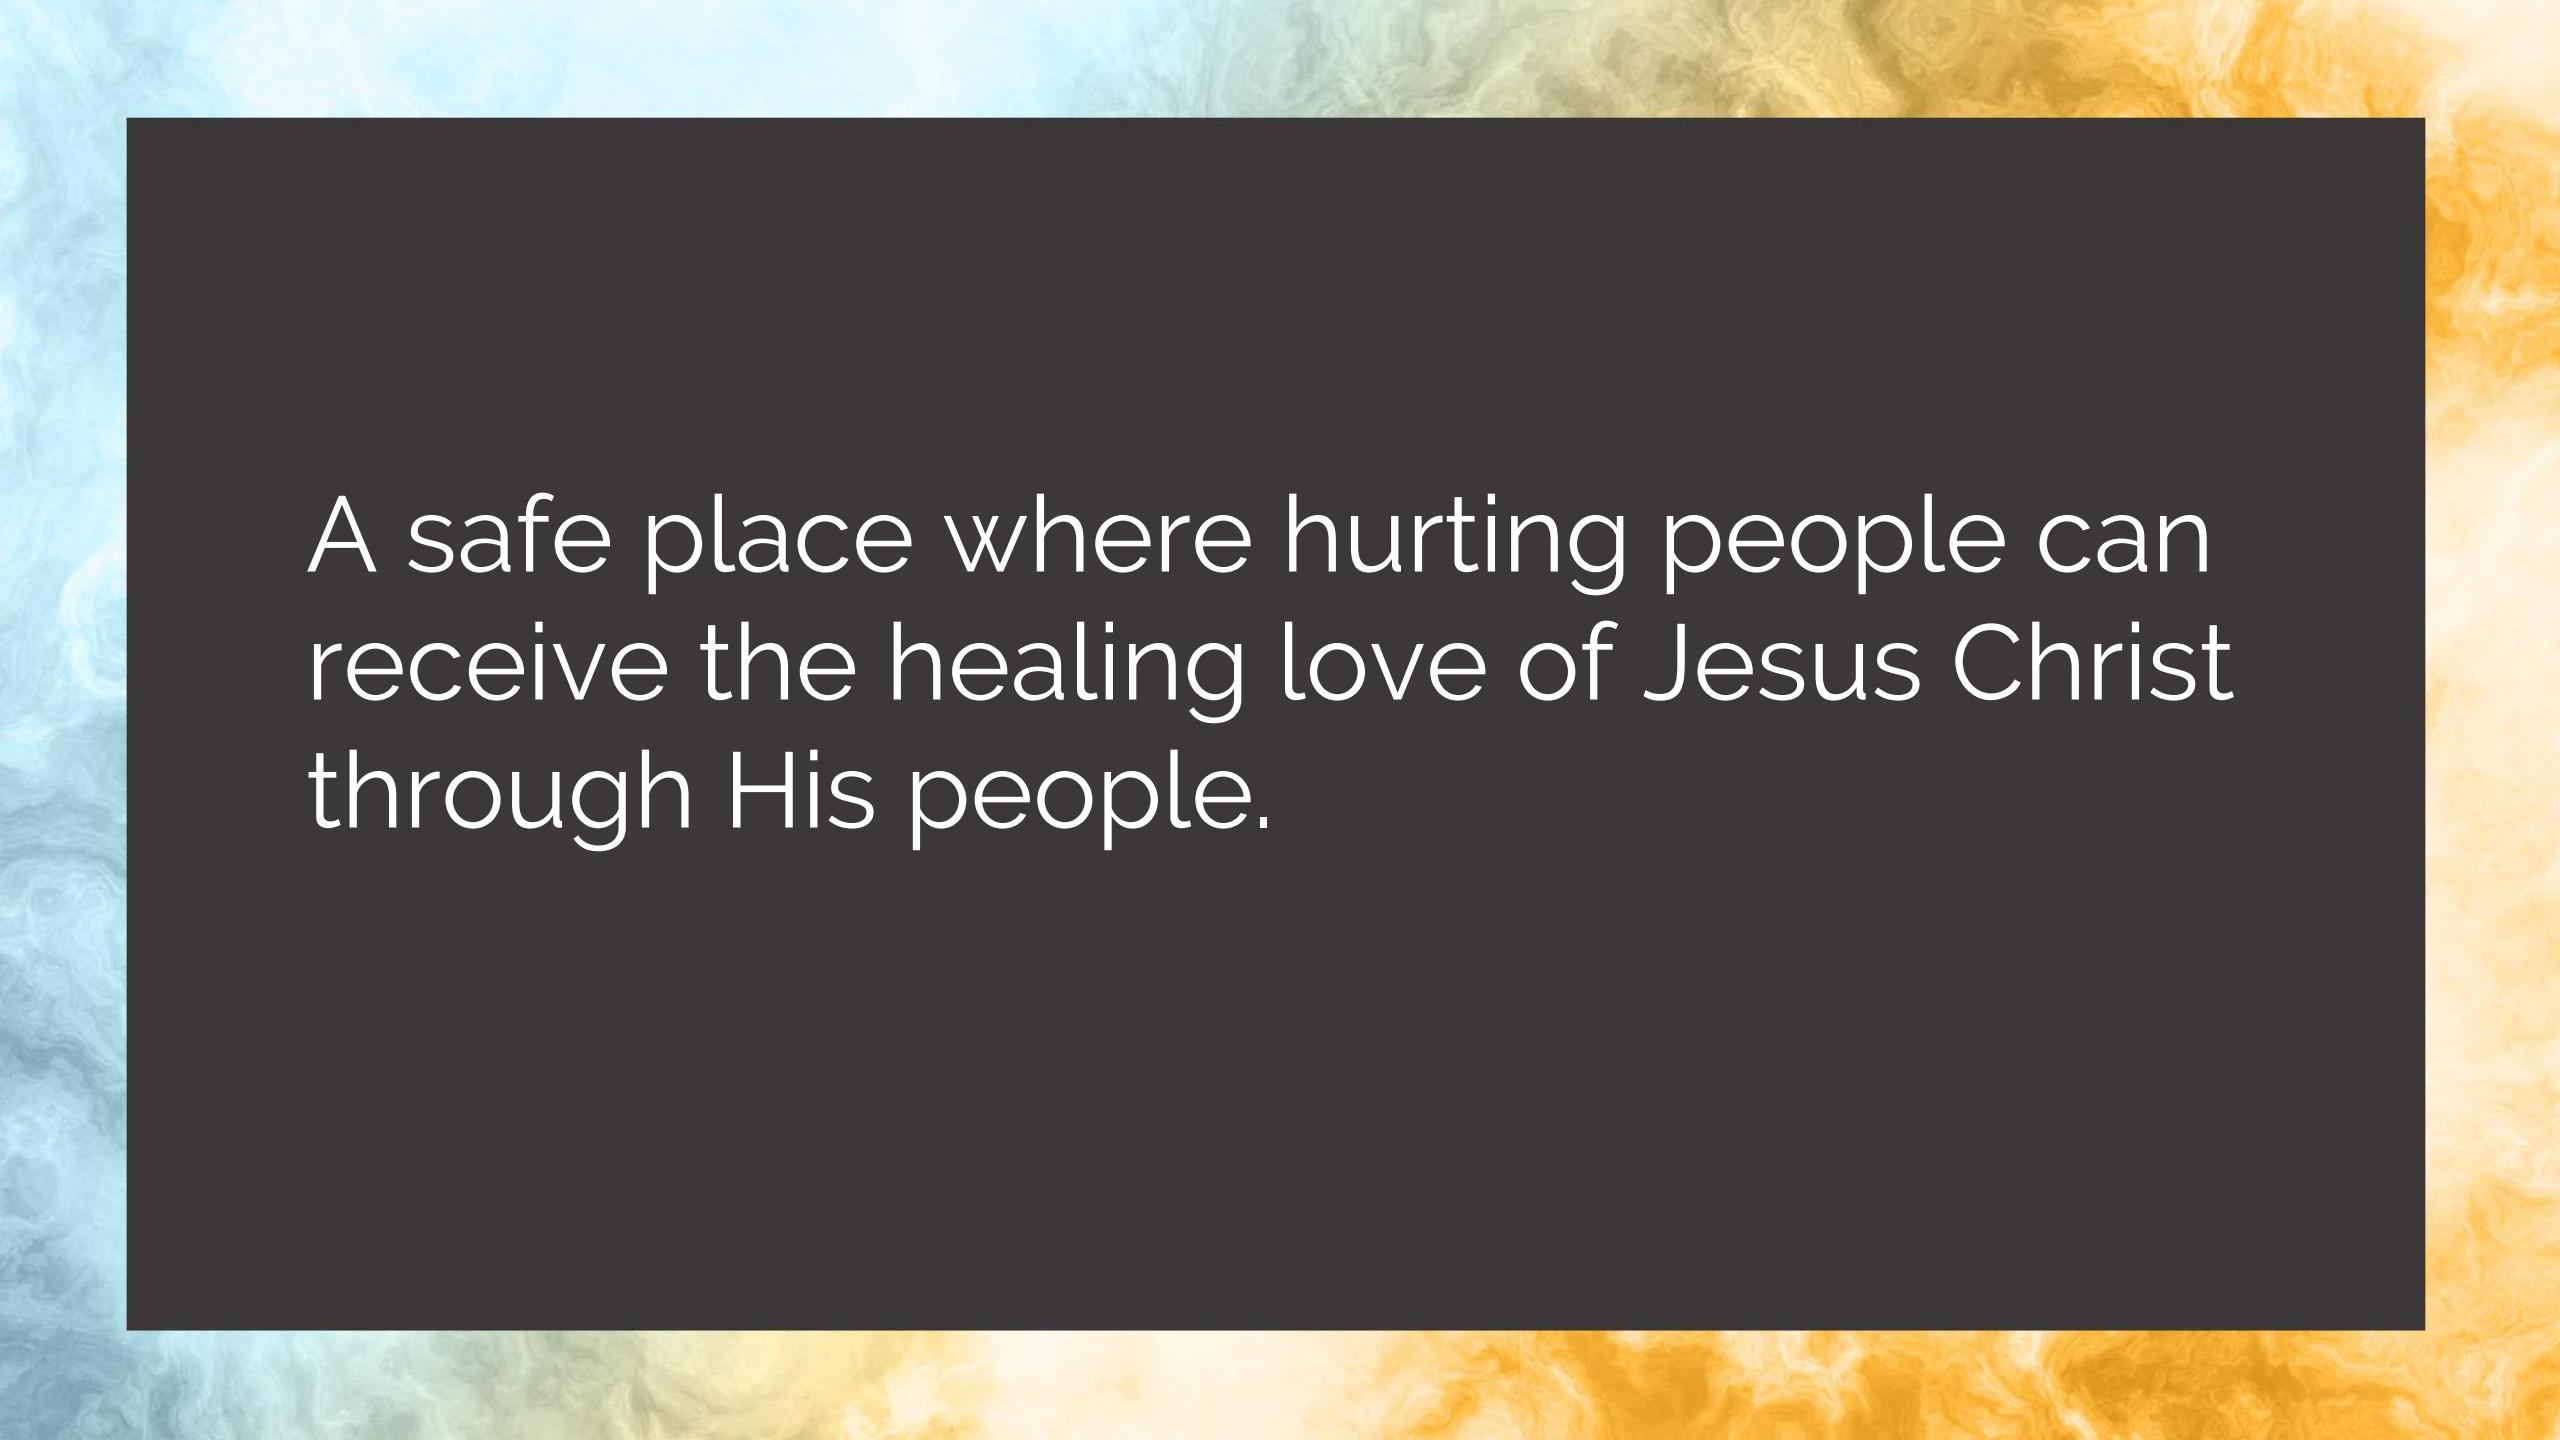

Greater presence in the community meeting needs in the name of Jesus, and not loving from a distance.

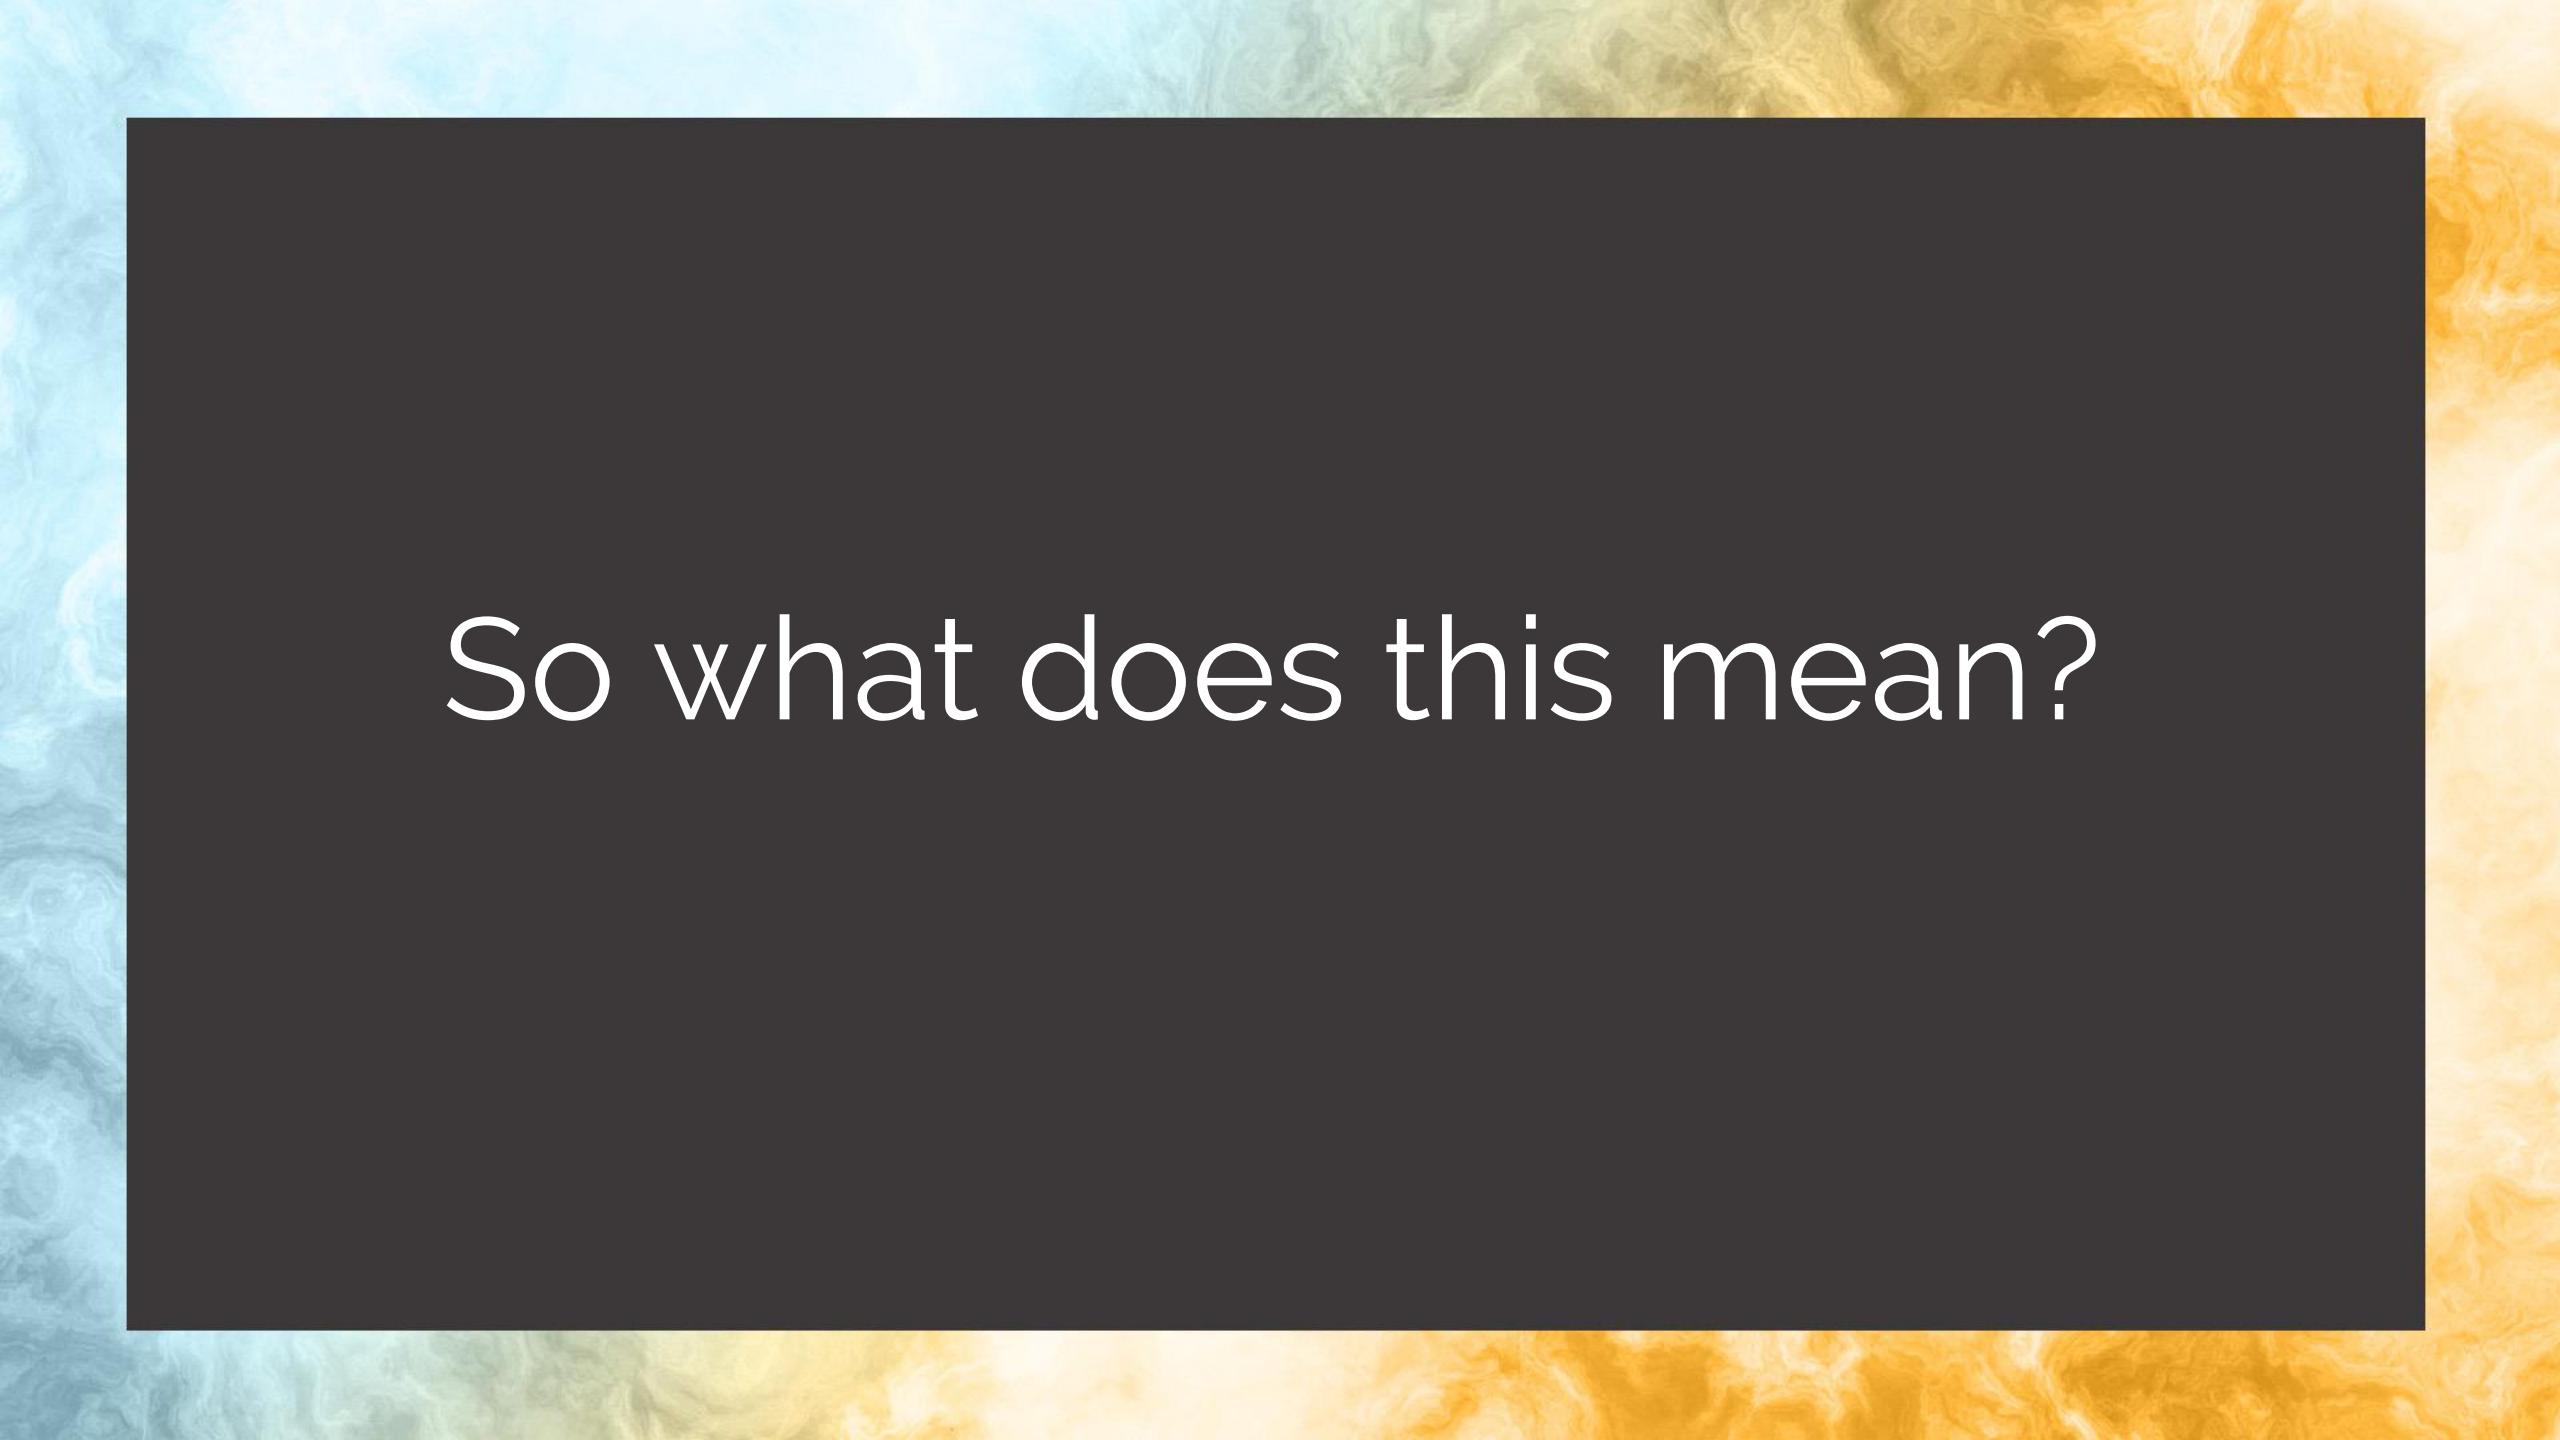

Being on mission TOGETHER –
as an intergenerational family.

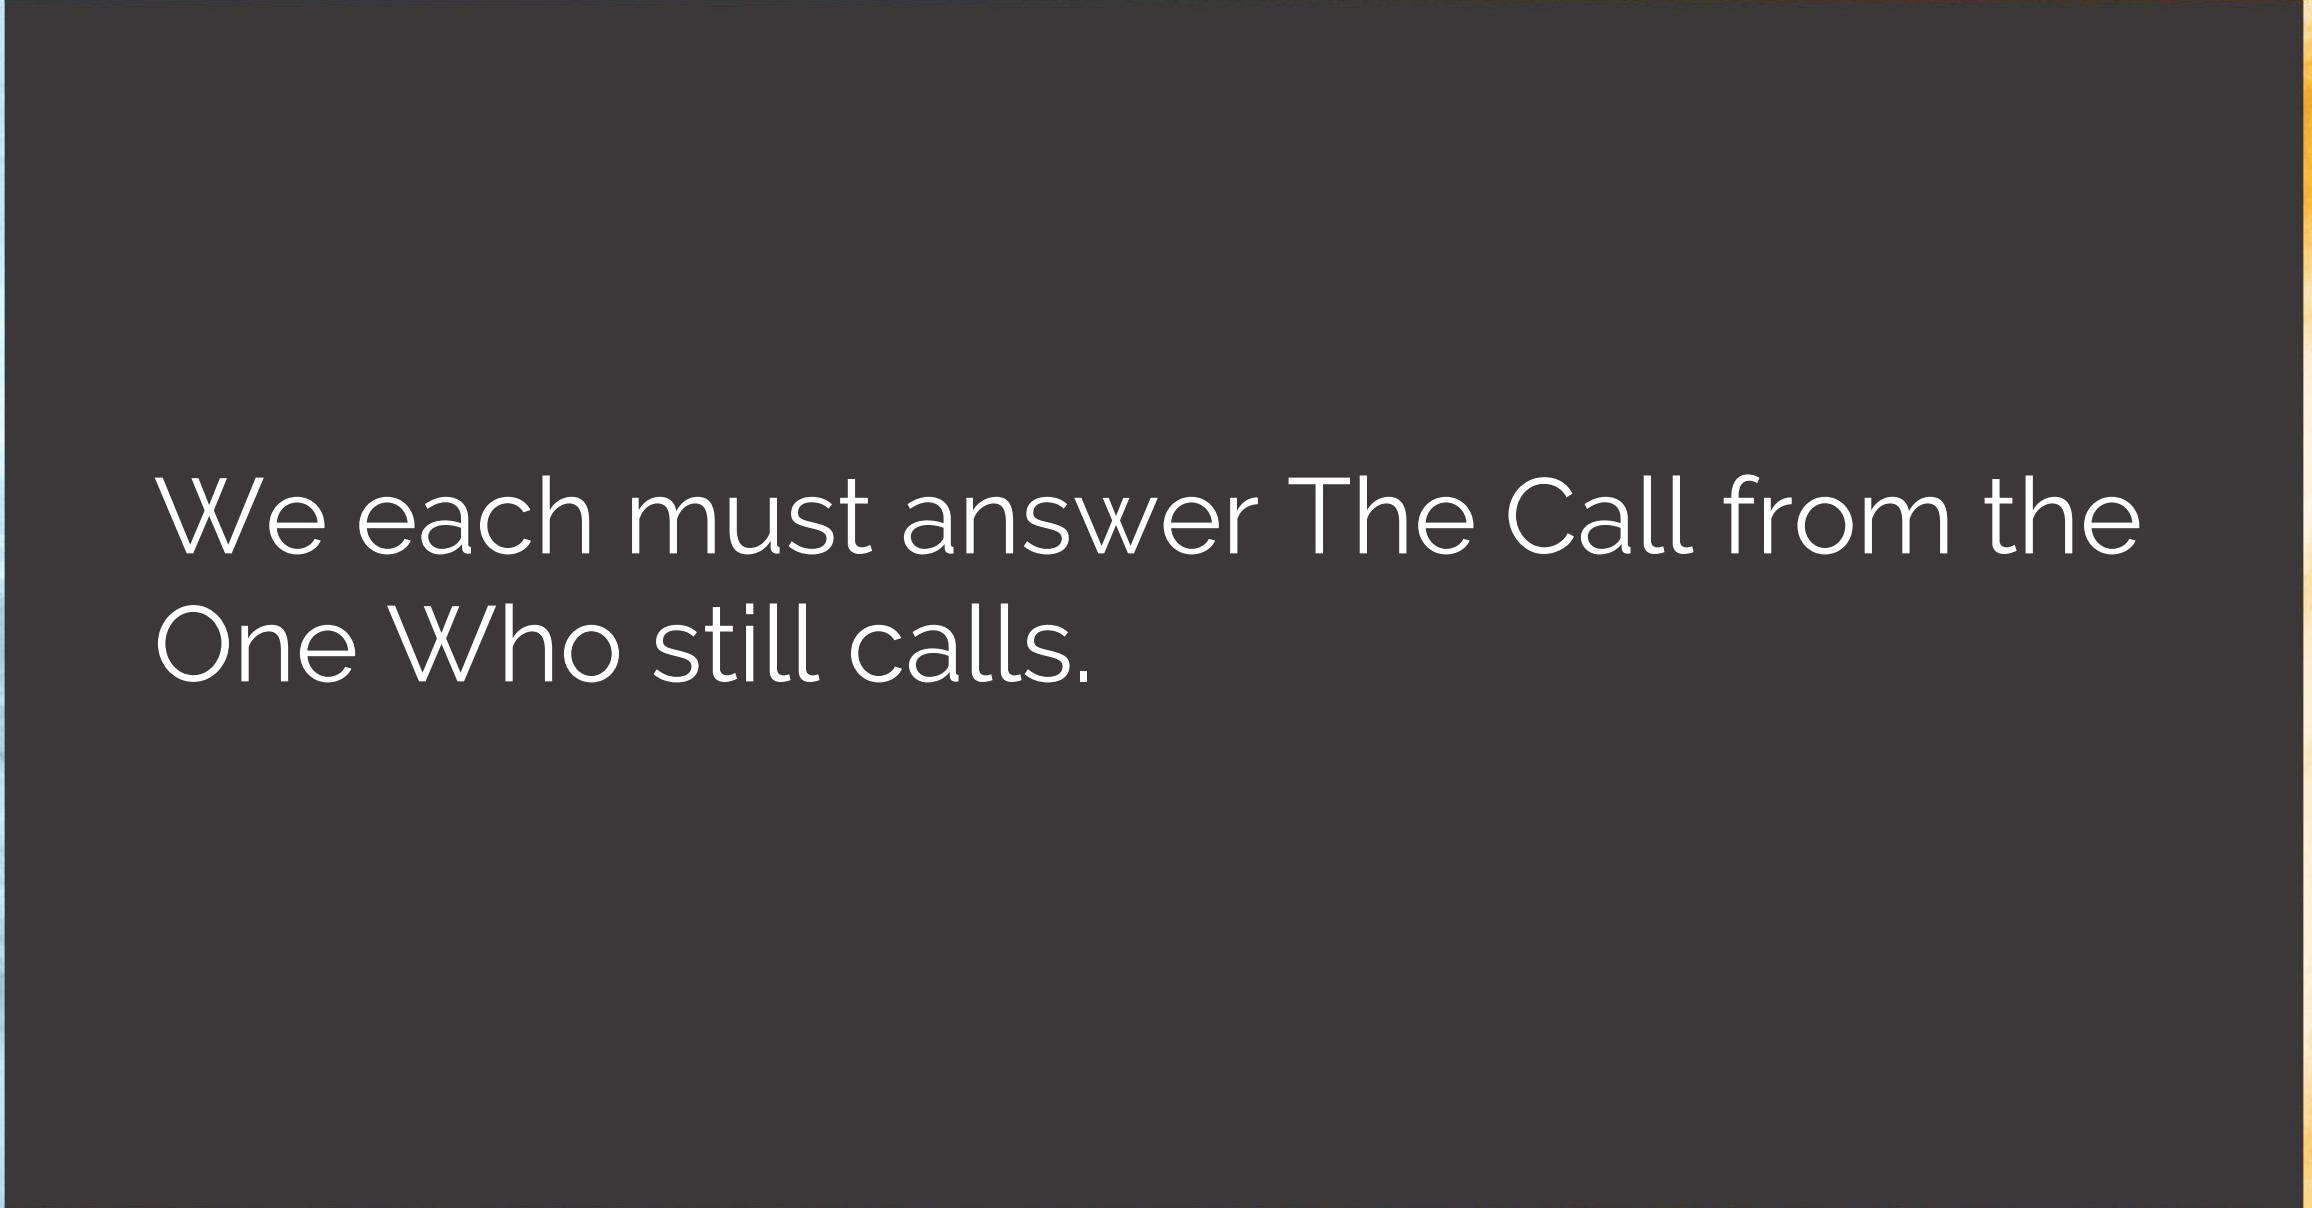

Continue to reach and raise up the
next generation.

A safe place where hurting people can receive the healing love of Jesus Christ through His people.

So what does this mean?

We each must answer The Call from the
One Who still calls.
