

# Small Group Discussion Questions

October 30, 2022

---

1. What difficult circumstance are you going through right now?
2. What Biblical truth are you holding to? If you don't know any, brainstorm together as a group some promises you can believe in!
3. What relationships do you have in your life that you're able to be vulnerable with? If you don't have any, pray as a group for that to be a reality and the Lord to bring people into your life who can be that for you.
4. What spiritual disciplines do you have in place? If you don't have any, what could you put in place this week?
5. How are you serving out of the love Jesus has shown to you?
6. Where can you start to trust God and make changes this week through your difficult circumstances?
