

LIFE GROUP QUESTIONS

Sunday, March 12

Local Impact Weekend

Pick some of the questions below and discuss them with your group. Also feel free to ask your group their biggest take-aways from the message or to bring their own questions!

Ice breaker: What is your favorite “Kentucky” food item? Where is the best place to get it?

Sermon Questions

1. What does living on mission mean to you?
2. Read Romans 5:5 out loud. Think about God's love in our heart. Next read John 3:16. Discuss both scriptures as a group. How do they work together?
3. Do you have any friends that don't know Jesus as Lord? People in your sphere of influence? Is spending time with those who don't know Jesus a regular part of your week?
4. When was the last time you shared your faith? Do you feel equipped to share? Discuss any good resources you have found in doing so.
5. Do you serve anywhere in the church or outside of the church? How are you living out your **worship + 2** that FAC desires for each one of us? [As a reminder, Worship +2 = Attending a weekly worship service (UP), being part of a growing group (IN), serving in a group or with one of our partners (IN/OUT).]
6. Do you have a relationship with your neighbors? What is one step you can take this week to make contact or deepen your relationship with a neighbor?
7. How do you make time to be in environments where you might run into people who don't know Jesus?
8. How can we continue to individually live out our mission and vision as a church? (See **faclex.com/about** for the mission and vision statements as well as our 6 values and marks of a disciple.)

PRAY

Spend some time praying for the things that you all have talked through. Also take some time to pray for our **local partners**, listed at **faclex.com/out**.
