The background features a technical drawing of a mechanical part, possibly a shaft or a pulley, with various dimensions and labels. A table of values is visible in the upper right quadrant, with columns labeled A_1 [cm²], v_{s1} [cm], s_1 [cm], and z . The table contains the following data:

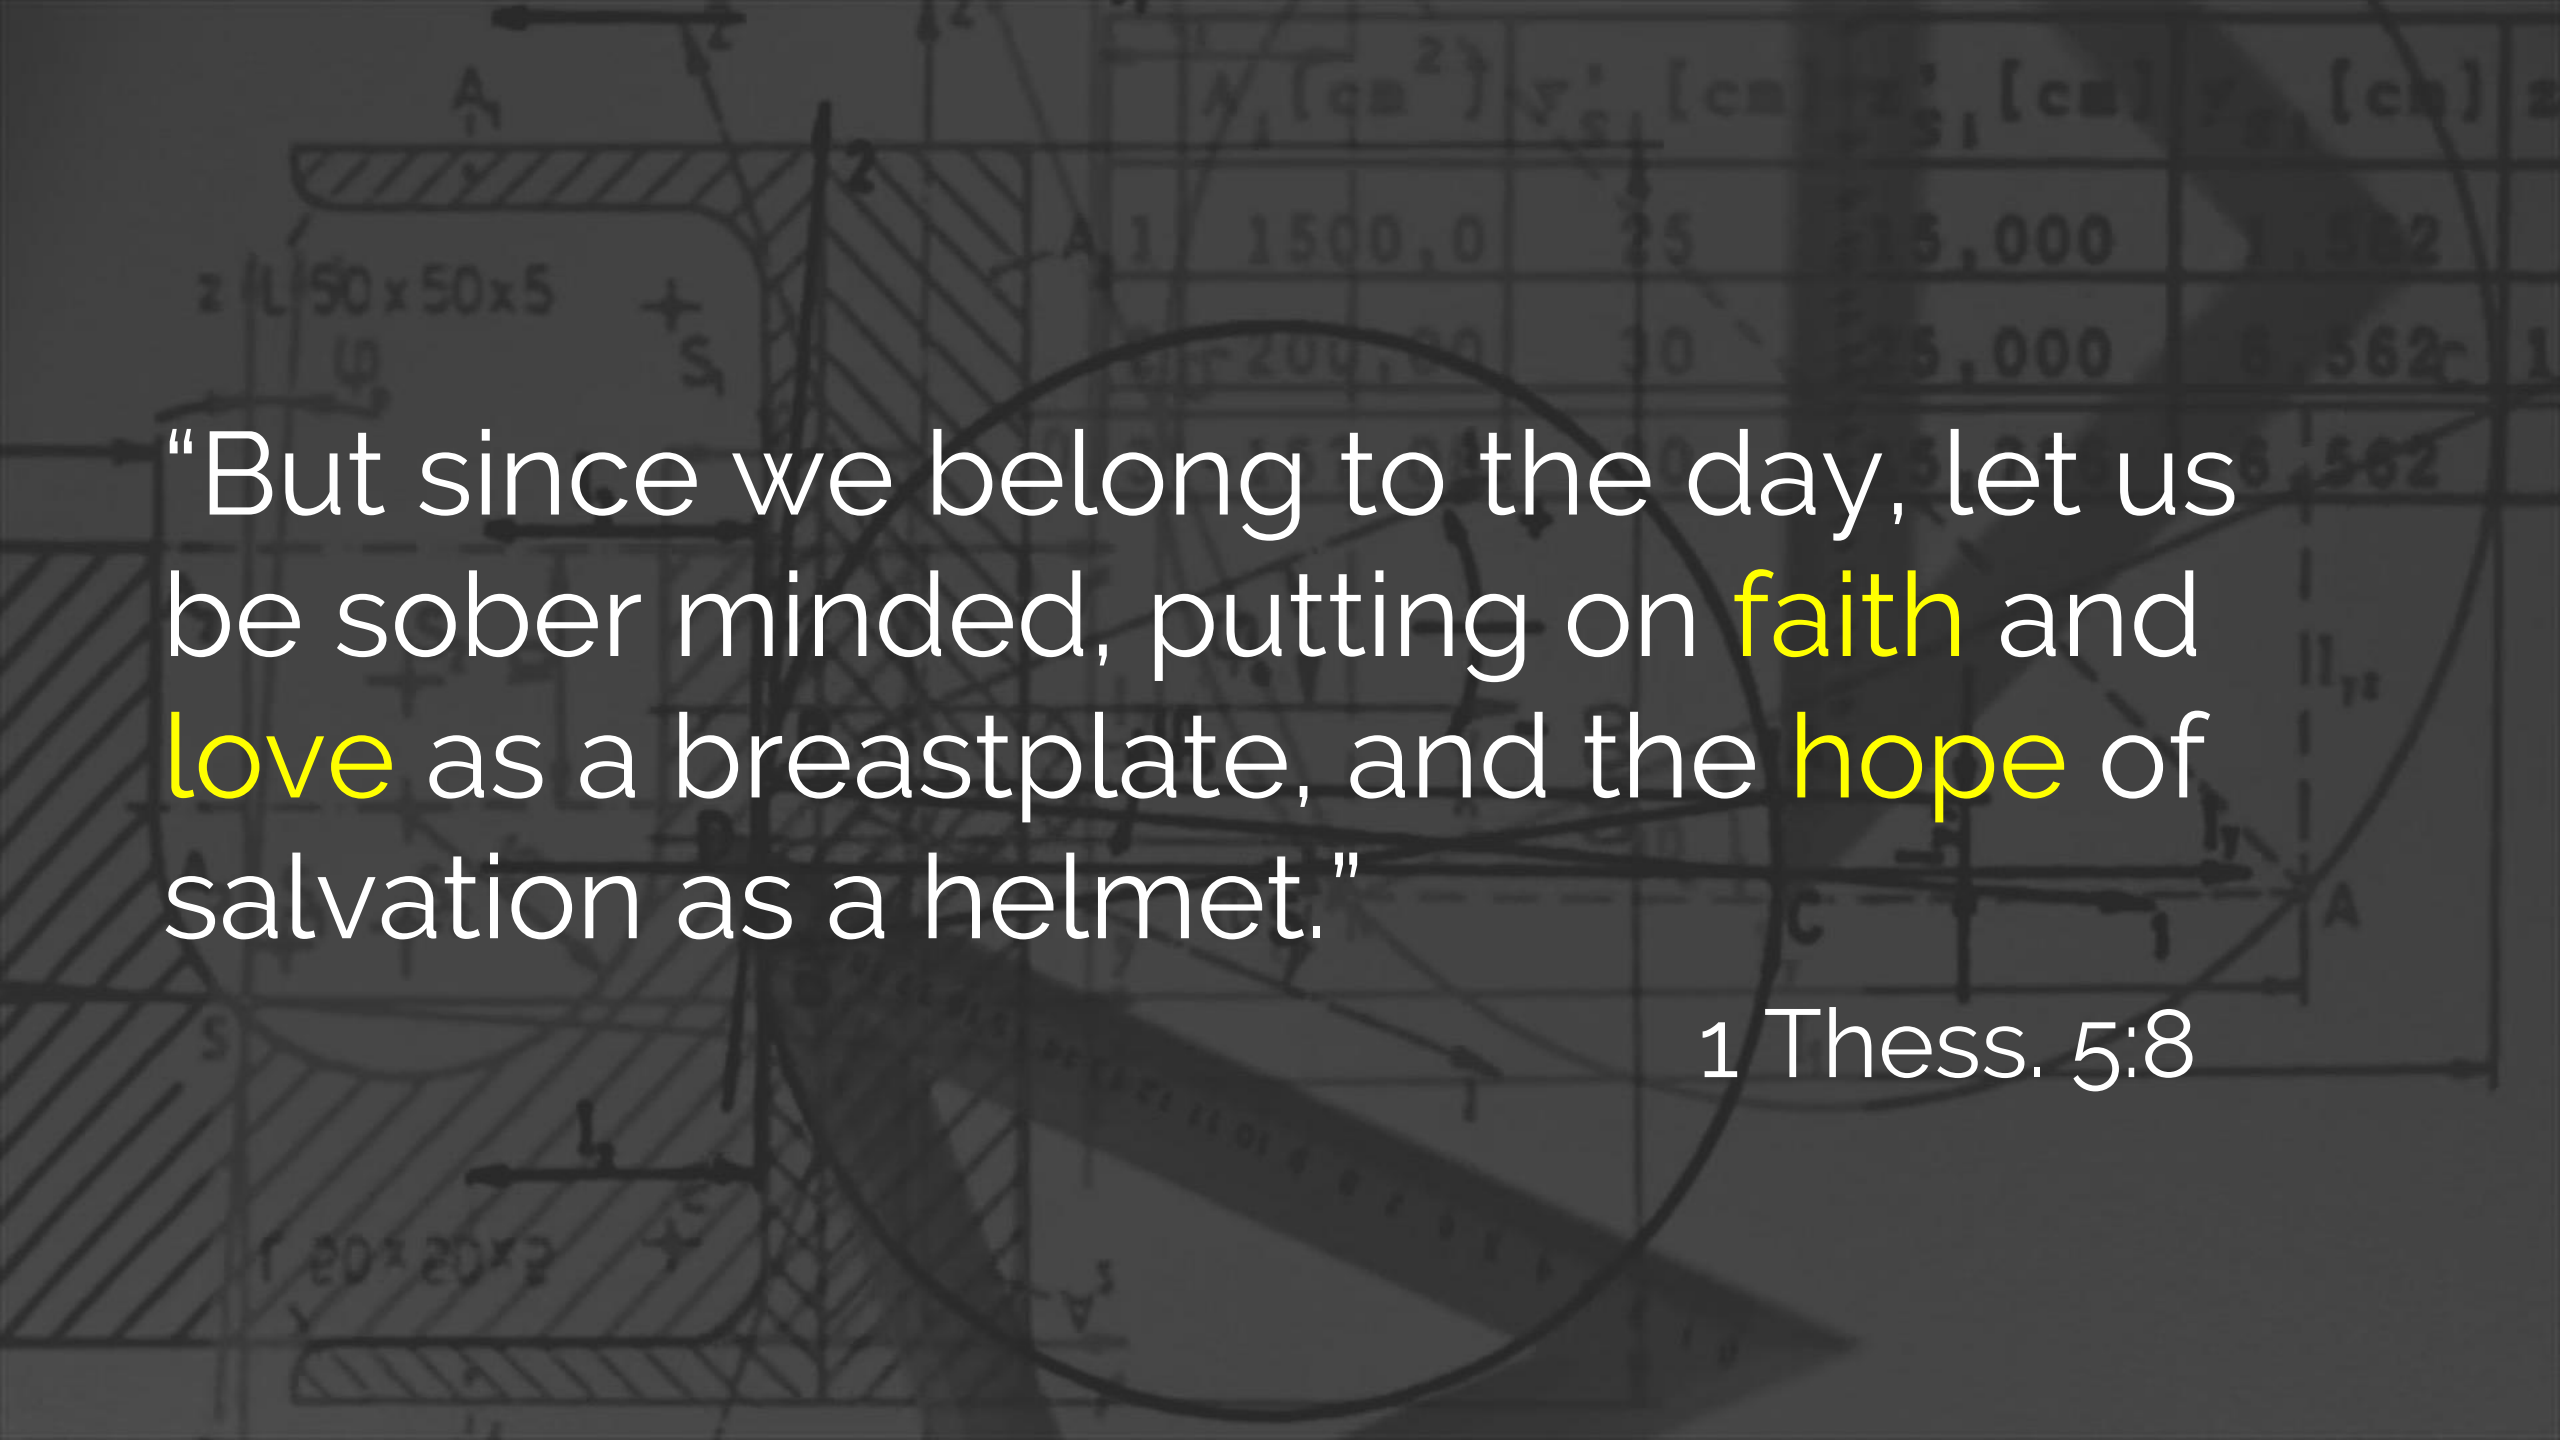

A_1 [cm ²]	v_{s1} [cm]	s_1 [cm]	z
1500,0	25	3,000	1,382
200,00	30	3,000	1,562
150,04	10	3,750	1,562

“And now these three remain: **faith**, **hope** and **love**. But the greatest of these is **love**.”

1 Cor. 13:13

“We remember before our God and Father your work produced by **faith**, your labor prompted by **love**, and your endurance inspired by **hope** in our Lord Jesus Christ.”

1 Thess. 1:3

The background features a technical drawing of a mechanical part, possibly a bearing or a shaft component, with various dimensions and labels. A table of values is visible in the upper right quadrant, listing parameters such as area (A), volume (V), and surface area (S) in cm² and cm³. The table has four columns and two rows of data.

“But since we belong to the day, let us be sober minded, putting on **faith** and **love** as a breastplate, and the **hope** of salvation as a helmet.”

1 Thess. 5:8

The background is a dark, semi-transparent technical drawing or engineering blueprint. It features various geometric shapes, including circles, lines, and rectangles, along with handwritten-style text and numbers. A prominent feature is a large circle with a horizontal diameter line and a vertical radius line. To the right, there is a table with several rows of numbers. The overall aesthetic is that of a complex, precise technical plan.

2 Cor. 5:7

The background is a dark, semi-transparent technical drawing or engineering sketch. It features various geometric shapes, lines, and text. A prominent feature is a large circle with several lines radiating from its center. There are also rectangular shapes with diagonal hatching, possibly representing cross-sections of mechanical parts. Faint text and numbers are scattered throughout, including "A1", "1500,0", "25", "15,000", and "50x50x5".
