

FAC Life Group Questions
Sunday Sermon – February 11, 2023

Feel free to make your own questions, have members bring questions, or simply have discussion around the theme of what impacted each member the most, what questions they have, and how you can pray for each other.

Icebreaker opening question:

Will you (or did you) watch the Super Bowl? Do you care about this game? Do/did you have a prediction?

“When He saw their faith...” – Luke 5: 17-26

1. The paralytic man needed healing for his body and sought out Jesus. Jesus forgave his sins, then healed his body. How does this connect with our current cultural mindset of how Jesus can change a life and why people seek out Jesus, and what do they end up receiving from him?
2. How does the active faith of the friends speak into our situation as a church? They overcome obstacles to get their friend to Jesus... What do we need to overcome as a church to help others meet the person of Jesus?
3. When the friend was healed, they praised God, saying, “Today we have seen great things!” Why is it so important that we keep the focus of our church on Jesus?
4. What else impacted you from the message?
5. How does baptism Sunday encourage us as a church? You personally?

Spend some time in prayer. Be sure to have a plan in place for communication if someone has a pressing need for prayer arise before the next time you meet.
