GOD

IS ABLE

“Now to him **who is able** to
do immeasurably more than
all we ask or imagine,..”

Eph. 3:20

God's ability transcends
the natural order of things.

The truth that *God is Able* connects
your current situation to God's
limitless ability.

“The most important thing about us is what comes to our mind when we think of God.”

-Tozer

GOD IS HOLY

GOD IS LOVE

GOD IS ABLE

Caleb and Joshua:

Caleb and Joshua:

"We should go up and take possession of the land, for we can certainly do it."

Numbers 13: 30

For what purpose is God able?

God is able to use situations in every generation to bring glory to Himself and His Son Jesus Christ!

To sustain you – God is Able

To restore you – God is Able

To satisfy you – God is Able

If God can, why didn't He?

If God is able, then why hasn't He?

Just because God can doesn't mean He *will*.

Just because God can doesn't mean He *will*.

Just because He hasn't doesn't mean He *won't*.

Just because God can doesn't mean He *will*.

Just because He hasn't doesn't mean He *won't*.

The bottom line is that God is love and God is able, and our hearts can rest securely no matter what the situation.

If God chooses not to, it is a question of His sovereignty, not His ability.

Whether or not He will is His business; believing that He CAN is our business.

The LORD is righteous in all His
ways and faithful in all He does.

Ps. 145: 17

Right now where is God placing
His Ability?

“...that is at work in us.”

God is able around you and God is
able **within you.**

God is able around you and God is
able **within you.**

He can transform your **character.**

God is able around you and God is able **within you.**

He can transform your **character.**

He can transform your **reaction and responses.**

YOU?

NOW TO HIM

Now:

Right Now

in our Now

in the Now

in your Now

in the here and Now

in MY Now

TO HIM:

Look to HIM

Turn to HIM

Fix your eyes on HIM

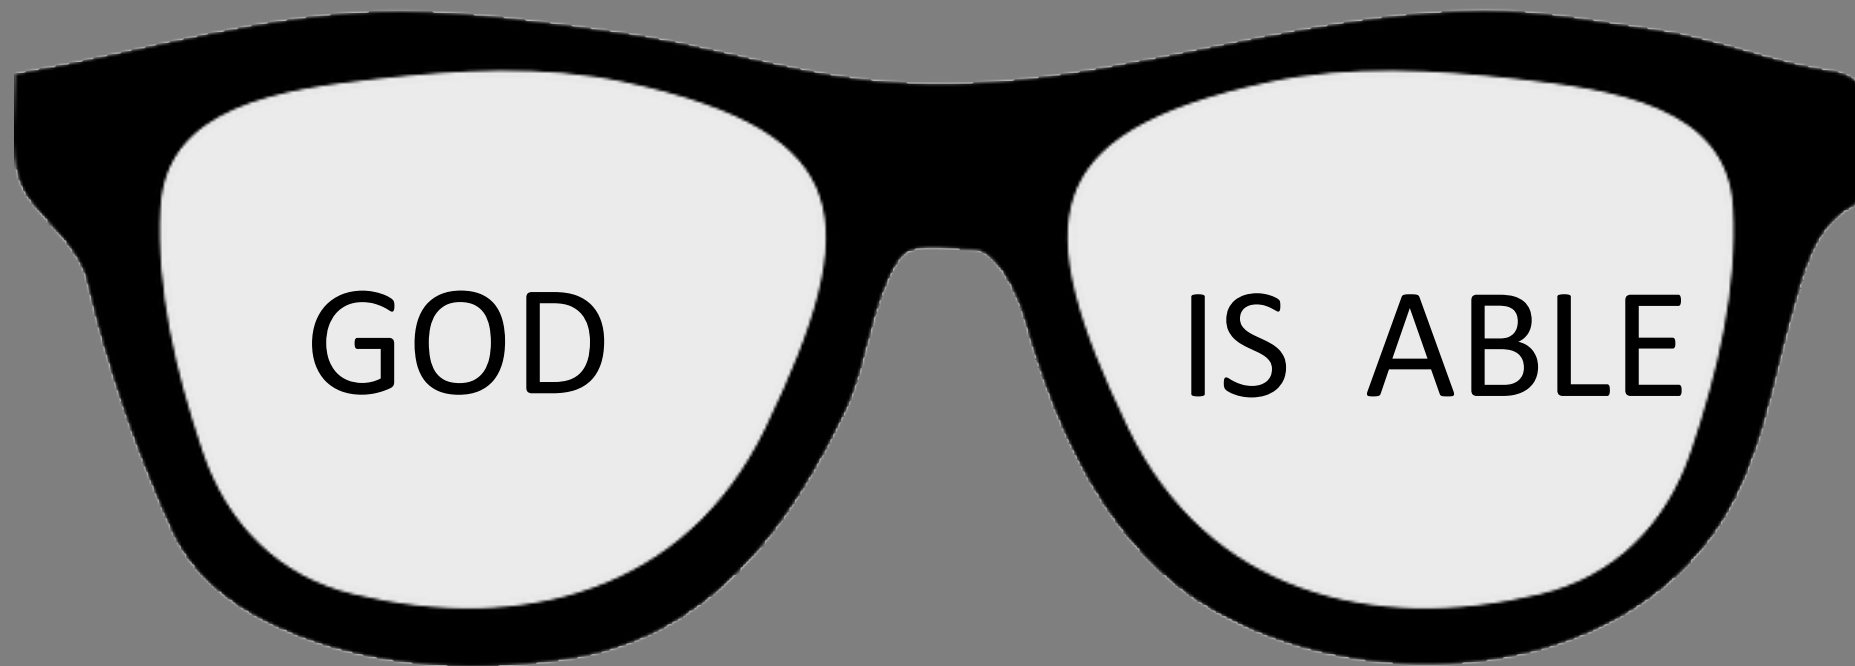

So what?

Be a *God is able* steward of
each moment of your life.

Look for *God gaps*.

He can fill them with *God is able* stories.

We get caught up about the how -
He is looking for the WHO.
